- If there is any uncertainty or controversy, please refer to our final explanation.

## Operating with Imou Life App

### Step 1

Scan the following QR code or search "Imou Life" in Google Play or App Store to download and install the app.

**Note:** If you have installed the app, update it to the latest version.

### Step 2

Run Imou Life App, and then register an account for the first use.

### Step 3

Connect the camera to power source with the power adapter.

### Step 4

Wait for booting to be finished, and then the camera indicator flashes with green light.

### Step 5

Do the following operations to finish adding camera.

### Note:

If you have more than one camera, do step 5 to add them one by one.

If the Wi-Fi network has changed or the indicator status goes wrong, reset the camera, and then do step 5 to add it again.

## Installing Camera

**Note:** Make sure that the mounting surface is strong enough to hold at least three times of the device weight.

**Step1** Drill screw holes on the mounting surface as the positioning map shows, and then put in the expansion bolts.

**Step2** Attach the pedestal to the mounting surface with the self-tapping screws.

**Step3** Power up the camera, and then adjust the lens to the ideal angle.
