Professional Installation Declaration

Dear Sir/Madam,

We, **IntraNav GmbH** have a product named as **ASSET TAG MICRO** (Model: **UWB5010**; FCC ID: **2AWK8UWB5010**) for marketing, this device cannot be sold to retail, to general public, or by mail order. It must be sold to dealers. Installation must be controlled, Non-professional installers are not allowed to remove or install antennas, the device will be marketed and sold as an indoor only device. The intended use is generally not the general public., etc.

The device meets FCC§15.517(a) – GENERAL REQUIREMENT

- (1) The EUT was used only indoors, to achieve optimal indoor positioning, the device must be mounted in such a way that there is a direct line of sight to the infrastructure devices (**IntraNav GmbH**), which can only be used indoors, please refer to the details in the user manual.
- (2) The EUT was never used outdoors, Indoor use only. It was showed in the user manual.
- (3) The EUT is already equipped with one antenna, which is not outdoor mounted antenna, please refer to the EUT photos.
- (4) The EUT is not a field disturbance sensor.
- (5) The EUT send a message to the receiver only when the associated receiver is turned on; The EUT will not send messages when the associated receiver is turned off.

We confirm that all information above is true, and we'll be responsible for all the consequences. Please contact me if you have any question.

Sincerely Yours,

The image shows a handwritten signature in blue ink on the left. In the center is the IntraNav logo, which consists of the word "INTRANAV." in a bold, sans-serif font, with a curved line above it. Below the logo is a small rectangular box containing the following text: "Frankfurter Str. 27", "D-65760 Eschborn", "T: +49 6196 20471 80", "F: +49 6196 20471 89", and "info@intranav.com". To the right of the logo is another handwritten signature in blue ink.
