Figure	DUT Variants	
D2	EC7 HD	L7 HD, L7Vet HD
	 A photograph of the EC7 HD probe, showing its long, thin, light-colored transducer element extending from a black, ergonomic handle. The handle features a small display screen and control buttons at the bottom.	 A photograph of the L7 HD probe, showing its black, ergonomic handle and a white, rectangular transducer element attached to the top. The word "L7VET" is visible on the base of the handle.

Figure	DUT Variants	
D3	PA DH	C7 HD, C7Vet HD
	 A photograph of the Clarius Scanner PA HD device. It is a handheld ultrasound scanner with a black, ergonomic handle. The top part is white with a display screen and several buttons. The brand name 'Clarius' is visible on the top left. The model 'Scanner PA HD' is printed on the top right. Below the screen, there is a small blue circular logo with 'G5I' and a 'CE' mark. The handle has a textured grip. The letters 'PA' are printed on the bottom of the handle.	 A photograph of the Clarius Scanner C7 HD and C7Vet HD devices. Both devices are similar in design to the PA HD, featuring a white top section with a screen and buttons, and a black ergonomic handle. The top section of the C7 devices has a blue circular logo with 'G5I' and a 'CE' mark. The handle has a textured grip. The letters 'C7' are printed on the bottom of the handle. The C7Vet HD device is shown on the right, with the 'C7VET' label visible on its handle.
