Glorious LLC ("Glorious") may have copyright, trademarks, trade secrets, patents, patent applications, or other intellectual property rights (whether registered or unregistered) concerning the product in this guide. Furnishing of this guide does not give you a license to any such copyright, trademark, patent, or other intellectual property rights. The product may differ from pictures whether on packaging or otherwise. Glorious LLC assumes no responsibility contained herein is subject to change without notice.

Limitation of Liability:  
Glorious shall in no event be liable for any lost profits, loss of information or data, special, incidental, indirect, punitive, or consequential or incidental damages, arising in any way out of distribution of, sale of, resale of, use of, or inability to use the Product. In no event shall Glorious's liability exceed the retail purchase price of the Product.

General:  
These terms shall be governed by and construed under the laws of the jurisdiction in which the Product was purchased. If any term herein is held to be invalid or unenforceable, then such term (in so far as it is invalid or unenforceable) shall be given no effect and deemed to be excluded without invalidating any of the remaining terms. Glorious reserves the right to amend any term at any time without notice.

Support/Service: If you have any questions or issues with your device, please do not hesitate to contact us. Alternatively, please visit us at www.gloriousgaming.com, where you can find our frequently asked questions, troubleshooting tips, and other Glorious products.  
WARNING: This product contains small parts; please keep it out of reach of children below the age of 10 to avoid the risk of choking. Keep this product away from water and moisture.

FCC andISED Canada Compliance Statements  
This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:  
This device may not cause interference.  
This device must accept any interference, including interference that may cause undesired operation of the device.

FR  
L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :  
L'appareil ne doit pas produire de brouillage.  
L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:  
This device may not cause harmful interference, and  
This device must accept any interference received, including interference that may cause undesired operation.  
This device and its antenna(s) must not be co-located or operating in

conjunction with any other antenna or transmitter.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:  
Reorient or relocate the receiving antenna.  
Increase the separation between the equipment and receiver.  
Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.  
Consult the dealer or an experienced radio/TV technician for help. The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

Caution: Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

FCC / IC Radiation Exposure Warning: The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction

L'appareil a été évalué pour répondre aux exigences générales d'exposition aux RF. L'appareil peut être utilisé dans des conditions d'exposition portables sans restriction

CEU Declaration of conformity  
Hereby, Glorious LLC (13809 Research Blvd Suite 500 PMB 93206 Austin, TX 78750, USA), declares that this product is in compliance with the essential requirements and other relevant provisions of Directive 2014/53/EU. A copy of the Declaration of Conformity can be found at Website: www.gloriousgaming.com  
The product shall only be connected to a USB interface of version USB2.0 or newer.

This information must be presented in such a way that the user can readily understand it. Typically, this will necessitate translation into every local language (required by national consumer laws) of the markets where the equipment is intended to be sold. Illustrations, pictograms and using international abbreviations for country names may help reduce the need for translation.

Packaging Disposal: Dispose of packaging according to type. Sort the paperboard and cardboard as waste paper and the film as recyclable material.

Waste Electrical and Electronic Equipment Information: Correct Disposal of This Product (Waste Electrical & Electronic Equipment) (Applicable in the European Union and other European countries with separate collection systems) This

marking shown on the product or its literature indicates it should not be disposed of with other household wastes at the end of its working life. To prevent possible harm to the environment or human health from uncontrolled waste disposal, please separate this from other types of wastes and recycle it responsibly to promote the sustainable reuse of material resources. Household users should contact either the retailer where they purchased this product, or their local government office, for details of where and how they can take this item for environmentally safe recycling. Business users should contact their supplier and check the terms and conditions of the purchase contract. This product should not be mixed with other commercial wastes for disposal.

Hereby, Glorious LLC(13809 Research Blvd Suite 500 PMB 93206 Austin, TX 78750, USA), declares that this GMMK 3 Dongle is in compliance with the essential requirements and other relevant provisions of UK Radio Equipment Regulations (SI2017/1206). A copy of the Declaration of Conformity can be found at Website: www.gloriousgaming.com

Due to the limitation of product size, the product certification information is printed on the outerpackage,please see as below:  
FCC ID: 2AXP2-GD30  
IC: 26530-GD30  
HVIN: GMMK 3 Dongle
