To whom it may concern:

Pursuant to the provisions of 47 CFR Section 0.457(d) and 0.459 we request to withhold the following attachments as confidential documents from public disclosure indefinitely:

- Schematic diagram
- Block Diagram
- Operational Description

The above documentation contains detailed system and equipment descriptions and are considered as proprietary information in operation of the equipment. The public disclosure of the above documents might be harmful to our company.

In addition to the above mentioned document, pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations in 47 CFR §2.803 and the importation rules in 47 CFR §2.1204, while ensuring that business sensitive information remains confidential until the actual marketing of newly authorized devices, we are requesting the Commission grant short-term confidentiality for a period of 180 days from the date of Grant of Equipment Authorization to the following attachments:

- External photos
- Internal photos
- Test Set-up photos
- User Manual

Sincerely;

Clifford Clarke
