FCC Statement:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution: Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment. This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

WALL ART

WIRELESS SPEAKER

USER MANUAL:

Retain these instructions for future reference.

INSIDE

Specifications:

PRODUCT: BLUETOOTH SPEAKER WALL ART ASST

Speaker: 4 Ω 3W

Model No.: CVS-58

Battery: 800mAh

Size: 30 x 30 x 4.8cm

Charging time: 1H

Material: MDF Board

Cable: 30cm Type-C Port

BT Version: 5.1

Charging Instructions:

For best results, fully charge the speaker before use. Connect the charging cord (included) to the charging port of the speaker and insert the other end into a PC, ACDC adapter, or similar suitable power source. The LED indicator will flash, indicating the battery is being charged. Once the speaker is fully charged, the LED light will go out.

Turning ON/OFF Speaker:

Move the "ON/OFF" switch to the left to turn the speaker ON. Move the "ON/OFF" switch to the right to turn the speaker OFF.

Bluetooth® Wireless Connection:

Your speaker can wirelessly stream audio from any Bluetooth® enabled device within 30 Feet. Simply follow the steps below:

- Turn ON the speaker. You will then hear the indication tone.
- Activate the Bluetooth on your mobile phone, tablet, or computer. It will search for various devices. The pairing name of this speaker is "iHip Art Speaker." Pair it with this device.
- Once paired successfully, you would hear an indication sound. (If you fail to pair it within the time frame or you want to pair it with a new device please repeat steps 1-3)
- Select your favorite song on your device and music will now stream through the Bluetooth speaker.

NOTE: The speaker will automatically pair with previously paired devices.

Pairing Name:
"iHip Art Speaker"

FM Mode:

Press "MODE" button to switch from Bluetooth Mode to FM Mode. When in FM mode, press the ⏮ button to automatically select the station

TF Card Slot:

This speaker can play MP3 and WAV music files using the TF card port. Once a TF card is inserted, the speaker will auto-switch from Bluetooth mode to TF card mode. Once the TF card is removed, the speaker will auto-switch to Bluetooth mode.

Switching the Artwork:

You can change out the artwork in your speaker in 3 simple steps:

1. PULL

Pull the tab (located on the bottom right of artwork) to remove the artwork from the speaker frame.

2. PLACE

Place the new artwork inside the frame while ensuring the 4 velcro circles on the back of the replacement art are aligned with the 4 velcro circles inside the art frame.

3. PRESS

Press art into frame to secure

Music Controls:

Please ensure that your device (Smartphone, tablet, or computer) is paired with the Bluetooth Speaker to stream music wirelessly. Once it is paired, play music from your device.
