HERRBOL

3 IN 1 WIRELESS CHARGER
USER MANUAL

Made in China

Product Introduction

Thank you for purchasing our product! This product is a 3-in-1 wireless charger. One wireless charger to charge 3 devices simultaneously, bring you an effortless charging experience, no more tangled cords trouble.

Product Appearance

Operation Steps

- At first, please power on the device by our equipped fast adapter and Type-C charging cable.
- When starting charging, the LED indicator light flashes red and blue alternately 3 times and then goes out. The blue light stays on when the phone is charging and turns off when fully charged. There is no light on when the AirPods and iWatch are charging.
- When charging devices such as iPhone iWatch AirPods, just place these devices on the corresponding charging area and they will be charged only after 0.1 second. When the devices are full charged or you want to stop charging, just take them away from the charging area.

Indicator Status

State	LED Indicator
Power on prompt	Red and Blue flash for 3 seconds
Stand by	No light
iWatch and AirPods charging	No light
iPhone charging	Blue light on

FAQ

- Please put the iPhone iWatch AirPods at the center of charging area.
- To achieve the fast charging, please use the 18W adapter we equipped on package .
- The charging distance is 2 to 4mm, the thickness of the protective cover should not be thicker than 4mm(magnetic metal will affect the charging stability. Please do not place metal in the center of coil end)
- The watch has temperature control when the temperature reaches 45°C, which will stop charging automatically. It will continue to charge when the temperature is normal.
- The lower temperature is, the faster charging speed is. The charging speed is faster in winter than in summer.
- Please don't charge in high temperature and humid environments to avoid damage of circuit.
- Put it at the place that children can't reach to avoid unnecessary accidents.
- Please place the charger away from flammable and explosive liquids or gases.

- If you have any problems on this wireless charger, please feel free to contact the seller service, we will offer you a best solution within 24 hours. Your safety and experience is our top priority, we got it all covered.
