Solder Board-Component View 6	 A photograph of a small, green, L-shaped printed circuit board (PCB) component. The component is positioned on a blue textured surface. A black L-shaped ruler is placed next to it for scale. The ruler has white markings in millimeters, with the horizontal scale ranging from 0 to 100 mm and the vertical scale ranging from 0 to 100 mm. The component is approximately 20 mm long and 10 mm wide.
Solder Board-Component View 7	 A photograph of the same green PCB component from a different angle. The component is shown with its top surface, which features a white rectangular area and several small electronic components. The same black L-shaped ruler is used for scale, showing the component's dimensions relative to the millimeter markings.
