Re: Request for confidentiality

Applicant: ROMTechnologies Inc

FCC ID: 2BEWP-13024CARORTHO

To whom it may concern,

***Permanent Confidentiality***

Request is hereby submitted by ROMTechnologies Inc to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- Schematics
- Detailed Block diagrams
- Detailed Operational/Functional Description

Rationale for request for confidentiality:

ROMTechnologies Inc has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading-edge technology developed by us.

If you have questions or need further information, please contact the undersigned.

Sincerely,

Francis Allotey  
Electrical Engineering Manager
