Solder Board-Component View 6	 A photograph of a green printed circuit board (PCB) component, likely a camera module, positioned on a blue textured surface. The component features a circular lens area and a white label with the text "20240407" and "PL-10117007". A black ruler with white markings is placed horizontally below the component, showing measurements in millimeters.
Solder Board-Component View 7	 A photograph of a yellow rectangular component, likely a battery, positioned on a blue textured surface. The component has a white label with the text "PL 604368" and "3.7V 2200mAh". A black ruler with white markings is placed horizontally below the component, showing measurements in millimeters. A yellow and red wire is visible extending from the bottom left of the component.
