

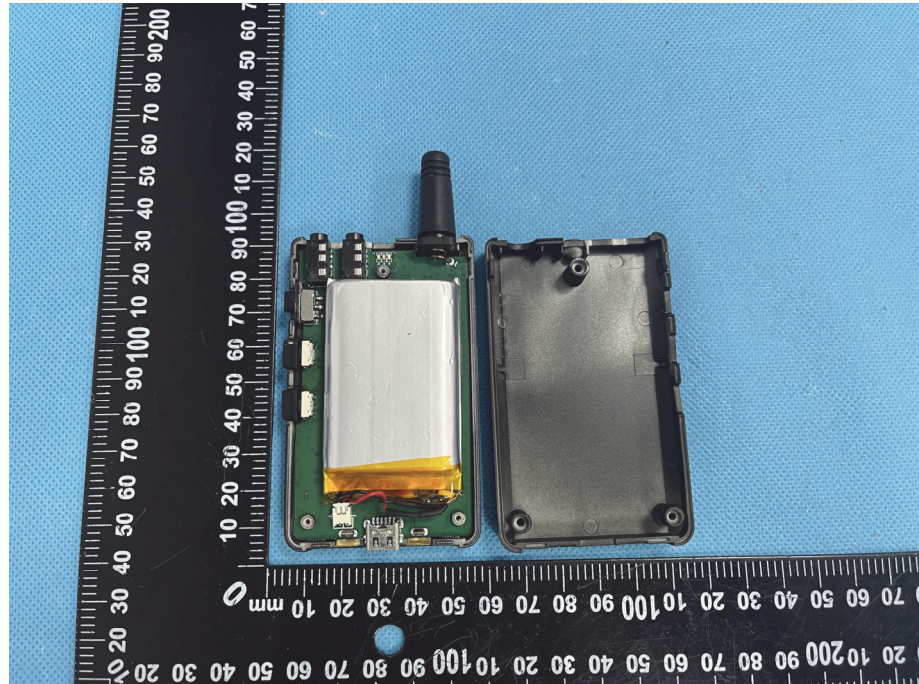

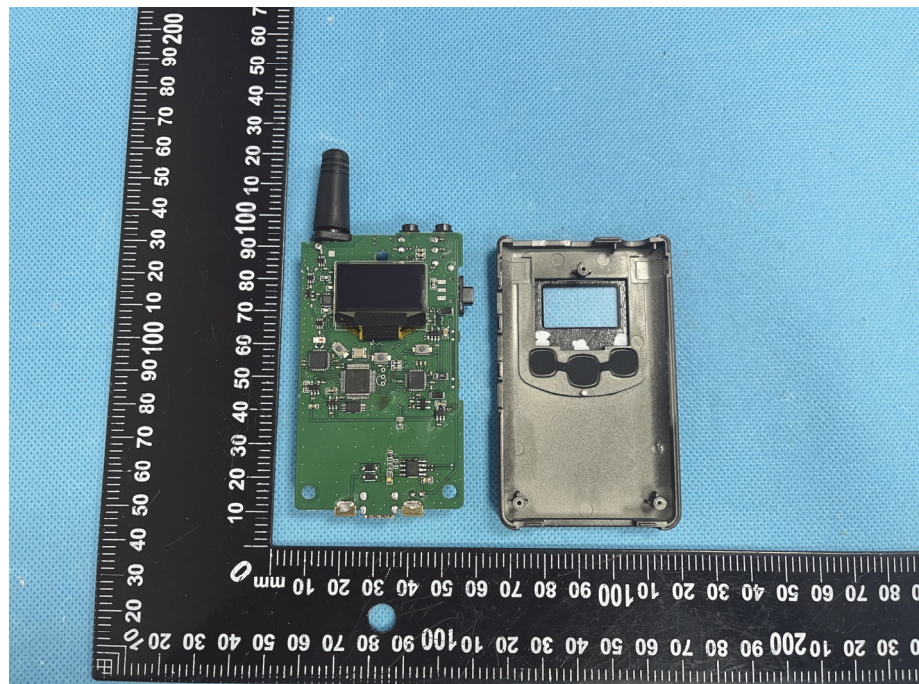

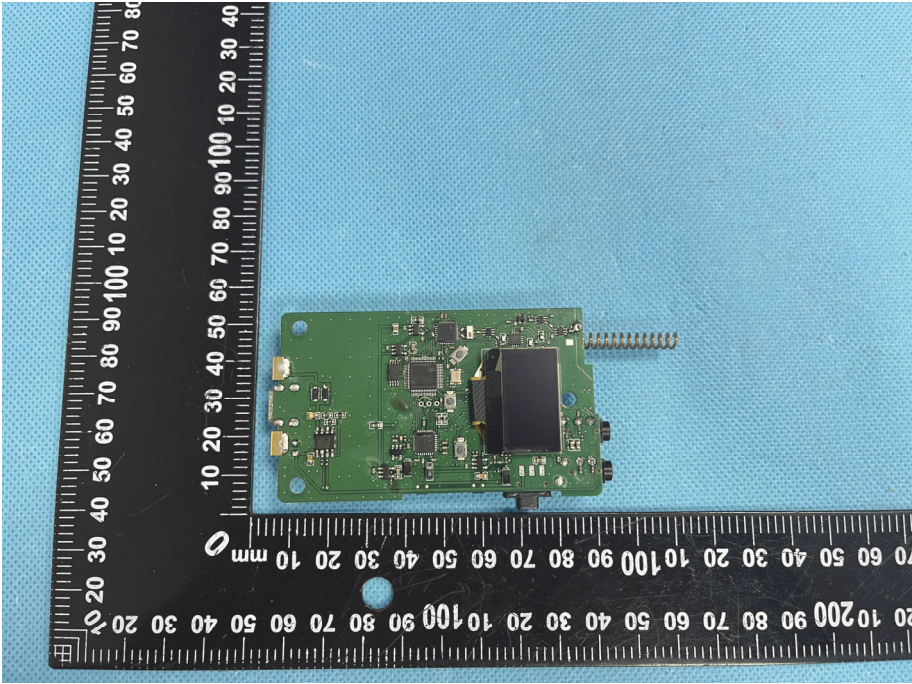

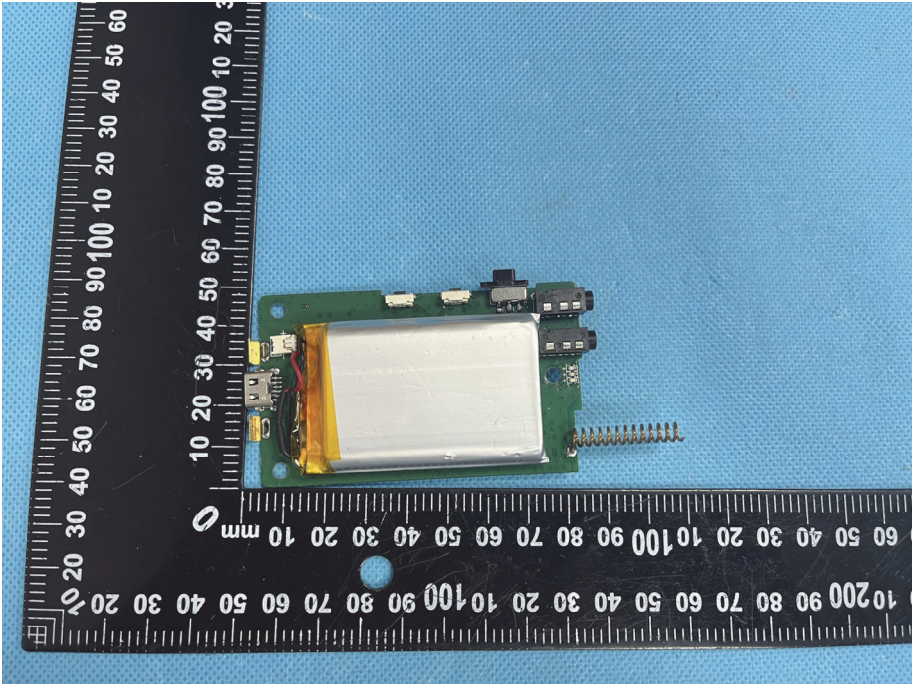

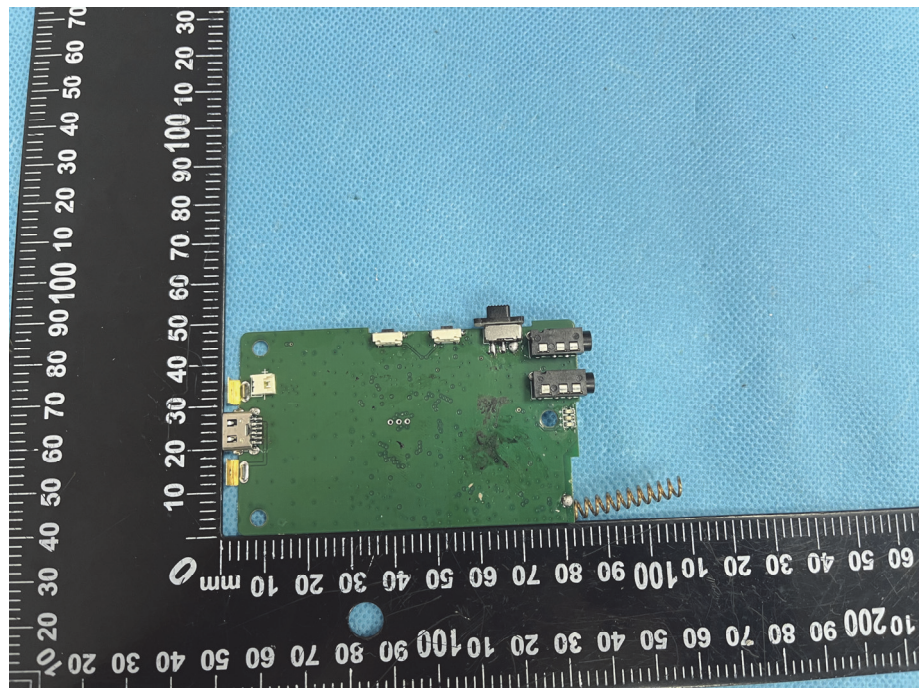

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS**EUT Housing and
Board View 1****EUT Housing and
Board View 2**

Solder Board-Component View 1	 A photograph of a green printed circuit board (PCB) component, labeled 'View 1', placed on a blue textured surface. The component is rectangular and populated with various electronic components, including a large black integrated circuit (IC) in the center, several smaller surface-mount components, and a gold-colored spring-loaded connector on the right edge. A black L-shaped ruler is positioned around the component for scale, with markings in millimeters (0 to 100 mm) and centimeters (0 to 10 cm).
Solder Board-Component View 2	 A photograph of the same green PCB component, labeled 'View 2', showing the reverse side. This view prominently features a large, rectangular, silver-colored component, likely a battery or a large capacitor, which is soldered to the board. Other components, including a gold-colored spring-loaded connector, are visible. A black L-shaped ruler is positioned around the component for scale, with markings in millimeters (0 to 100 mm) and centimeters (0 to 10 cm).
