Function Introduction

- Find items - Click "Play Sound" to make your Item Locator beep when it is nearby.
- Find your Item Locator's location** - Your Item Locator's last known location will appear on the map as emoji you choose during set-up, tap "Directions" to navigate to the last known location.

Function Introduction

- Enable the "Notify When Found" toggle, when your item location is seen by another "Find My" enabled device, you will receive a notification of its updated location.
- Enable the "Notify When Left Behind" toggle, you will receive a notification when you leave your Item Locator behind and it is no longer in range of your device.

Note: "Notify When Found" can only be activated when your Item Locator is out of range.

Lost Mode

- When your item is lost under "Lost Mode", tap the "Enable" tab, a screen calling "Lost Mode" will pop up, tab "Continue". You can enter your phone number or email address and tap "Next".
- You may enter a message that will be shared with the person that finds your item. Tap "Activate" to enable "Lost Mode".

Note:

- When "Lost Mode" is enabled, "Notification When Found" is automatically enabled.
- When "Lost Mode" is enabled, your item is locked and cannot be paired to a new device.

Rename Item

- Name of the item can be renamed.

Rename Item

- Make sure "Lost Mode" is disabled and click "Remove Item". After selecting the option, the system will pop up "Remove Item?" and click "Remove" to remove the device.

Note: "Notify When Found" can only be activated when your Item Locator is out of range.

System Requirements and Compatibility

- Apple ID
- iPhone and iPod touch models with iOS 14.5 or later.
- iPad models with iPadOS 14.5 or later.

About the Find My App

The Find My app makes it easy to keep track of your Apple devices—even if they are offline. You can also locate items using iTracker or Find My technology. Plus, you can keep up with friends and family. And your privacy is protected every step of the way.

Learn More

- This item can be located by its owner using the Find my app. For more information, follow the instructions below.
- Locate the button on the front of the device.
- Press the button twice. You will hear a confirmation sound.
- Tap "Continue On Website" for more information including any Lost Mode message from the owner.

How to Disable

- Locate the button on the front of the device.
- Long press the function button three seconds until two beeps are heard. This will stop sharing the location of this item.

Factory Reset

- Press the button 4 times rapidly and then hold it a fifth time until you hear a ringing chime.
- A reset operation is required to enable the device to enter the pairing state again (synchronization of Find My also requires simultaneous unbinding) and rebind the new Apple ID account.

How can I prevent my device from being used for malicious tracking

When someone else's device mixes with your belongings, and tracks it over a period of time, you will be reminded in below two ways:

- If you have an iPhone, iPad, or iPod touch etc Apple device. This feature is available on iOS or iPadOS 14.5 version or above.
- If someone else's device finds its way into your stuff, your iPhone will notice it is traveling with you and send you an alert. After a while, if you still have not find it, the item will start playing a sound to let you know where it is.

Important tips:

When pairing a device with Find My app, the phone will link to the Apple server. Pairing may fail because of network problems. The following action is recommended.

- Change the phone's network, such as switching between WiFi and mobile. The first pairing may take a long time, please wait patiently.
- Reset your item.
- When "Lost Mode" is enabled, DO NOT REMOVE ITEM in the APP. Your Item Locator will be locked and cannot be paired to a new device.

The device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

shorten the life of electronic devices, destroy the battery or distort certain plastic parts.

- Don't dispose of the unit in fire as it will result in an explosion.
- Don't expose the unit to contact with sharp objects as this will cause scratches and damage.
- Don't let the unit fall down onto the floor. The internal circuit might get damaged.
- Don't attempt to disassemble the unit as it may get damaged if you are not professional.

FCC Instructions

Caution: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the product.

NOTE: This product has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This product generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If the product does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the product and receiver.
- Connect the product into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

WARRANTY DISCLAIMERS: This warranty is in lieu of all warranties expressed or implied and no representative or person is authorized to assume for manufacturer any other liability in connection with the sale of our products. There shall be no claims for defects or failure under any theory of tort, contractor commercial law including but not limited to, negligence, gross negligence, strict liability, breach of warranty and breach of contract. Under no circumstances will Manufacturer's / Distributor's maximum liability exceed the retail value of the product.

Limited Warranty

This manufacturer's product warranty extends to the original consumer purchaser of the product. Neither the retailer nor any other company involved in the sale or promotion of this product is a co-warrantor of this manufacturer's warranty.

WARRANTY PERFORMANCE: During the above 90 day warranty period, a product with a defect will be either repaired or replaced with a reconditioned comparable model (at manufacturer's option). The repaired or replacement product will be in warranty for the balance of the 90 day warranty period and an additional one-month period. No charge will be applicable for such repair or replacement.

NOTE: Manufacturer cannot assume responsibility for loss or damage during incoming shipment. As a precautionary measure, carefully package the product for shipment, and insure it with the carrier. Be sure to enclose the following details with the product: your full name, return address, and daytime phone number, a note describing the problem you experienced, a copy of your sales receipt or other proof of purchase to determine warranty status. C.O.D. shipments cannot be accepted.

STATEMENTS:

- * Remove and immediately recycle or dispose of used batteries according to local regulations and keep away from children. ** Do NOT dispose of batteries in household trash or incinerate.
- * Even used batteries may cause severe injury or death.
- * Call a local poison control center for treatment information.
- * Non-rechargeable batteries are not to be recharged.
- * Do not force discharge, recharge, disassemble, heat above (manufacturer's specified temperature rating) or incinerate. Doing so may result in injury due to venting, leakage or explosion resulting in chemical burns.
- * Ensure the batteries are installed correctly according to polarity (+ and -).
- * Do not mix old and new batteries, different brands or types of batteries, such as alkaline, carbon-zinc, or rechargeable batteries.
- * Remove and immediately recycle or dispose of batteries from equipment not used for an extended period of time according to local regulations.

* Always completely secure the battery compartment. If the battery compartment does not close securely, stop using the product, remove the batteries, and keep them away from children.
