

<div>Instruction Manual</div> <div>FCC Declaration</div> <div><p>▲Warning:</p><p>Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radiofrequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:</p><p>• Reorient or relocate the receiving antenna. Increase the separation between the equipment and receiver.</p><p>• Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.</p><p>• Consult the dealer or an experienced radio/TV technician for help.</p><p>This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.</p><p>Important: Change or modifications not expressly approved by the manufacturer responsible for compliance could void the user's authority to operate the equipment.</p><p>The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.</p></div>	<div><div>Wearing method</div><p>Insert the earphone into the audio interface and rotate it to an appropriate angle. Clip the Bluetooth host to an appropriate position.</p><div>Power on</div><p>Press and hold the function key for about 3 seconds to power on. There is a power-on prompt tone and the digital screen flashes to enter the Bluetooth pairing state.</p><div>Power off</div><p>Press and hold the function key for about 5 seconds. Open Bluetooth in the phone settings, click on Bluetooth search until "YH8" is found by Bluetooth, and then click to connect successfully. When the phone is successfully connected to Bluetooth for the second time, simply turning on the Bluetooth headset will automatically reconnect.</p><div>Answering/hanging up calls</div><p>Press the multifunction key once when there is an incoming call to answer, and press it again to hang up the call.</p><div>Rejecting incoming calls</div><p>Double-click the multifunction key when there is an incoming call to reject.</p><div>Redialing the last number</div><p>Double-click the multifunction key.</p><div>Volume adjustment</div><p>Short press "+" to increase the volume and short press "-" to decrease the volume.</p><div>Changing songs</div><p>Short press ">" for the next song and short press "<" for the previous song.</p><div>One-to-two function</div><p>After the Bluetooth headset is connected to the first mobile phone, turn off the Bluetooth of the first mobile phone. After the second mobile phone is successfully connected to Bluetooth, turn on the Bluetooth of the first mobile phone again and click on the</p></div>	<div><div>Switching between Chinese and English</div><p>Double-click to switch between Chinese and English when the headset is not paired.</p><div>voice assistant</div><p>Press and hold for about 2 seconds to activate Siri.</p><div>Pairing</div><p>The digital display flashes when charging, and remains constantly on when charging is completed.</p><div>Charging</div><p>Please use the standard charging cable.</p></div> <div><div>Product Certificate</div><div>Quality Certificate</div><div><div>Product Model:</div><div>Yh8</div></div><div><div>Product Name:</div><div>wireless earphones</div></div><div><div>Execution standard code:</div><div>GB/8898-2022</div></div><div><div>Inspector:</div><div>01</div></div><div><div>Inspection conclusion:</div><div>up to standard</div></div></div>
