

Company Name : Clearlight Saunas Australia Pty Ltd
Address: 2/78 Rajah Rd Ocean shores NSW 2483
Australia

FCC ID:2BMH3-IP-V1
IC: 33403-IPV1

Helsi Ice Plunge

Serial No	IP_V1_0001
Model	IP_V1
Power supply	220-240V~ 50-60Hz
Rated Power Inputy (W)	1400W
Refrigerant/ Quantity (g)	R290/ 200g
Max. Pressure (High)(MPa)	2.29MPa
Max. Pressure (Low)(MPa)	0.25-0.64MPa
Max. Allowable Pressure	2.2MPa
Rated Water flow (m3/h)	1.5m ³ /h
Water Proof Class	IPX5
Net Weight	210kg

Warning!

This product must only be plugged into a grounded circuit that is protected by an RCD.

Make sure the inlet point is completely underwater before starting the device to avoid damage to the system.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) this device may not cause harmful interference, and
(2) this device must accept any interference received, including interference that may cause undesired operation.
