

数字功率放大器 Digital Power Amplifier

型号/Model: DTA-2300

输入/Input: 100-240V ~ 50/60Hz

额定功率/Power Rating: 2x300W

制造商/Manufacturer:

广州德勤龙健电子有限公司

Guangzhou Deken LongJoin Electronics co., Ltd

FCC ID: 2BOSQ-DTA

This device complies with part 15 of the FCC Rules.

Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation.
