[illegible]

The image shows the back of a 15.6-inch LCD panel. A silver metal mounting bracket is attached to the top edge with four screws. A black flexible cable with a gold-plated connector is visible, secured with a piece of clear tape. Two other pieces of clear tape are on the panel. Labels include a Philips logo and model number 'LC156X82 (A4)' at the bottom left, a barcode and part number '6081-00280 04010 FLP' at the bottom right, and a small yellow and black warning label. The panel is set against a blue background.
