Request for Confidentiality

Company name: TempSys.
FCC ID: A64-CP-500
FCC Part 15.247 Certification

Gentlemen,

In accordance with 0.459 of CFR 47, TempSys hereby requests confidentiality of the following attachments for the subject application:

1. Schematic Drawings
2. Operational Description
3. Block Diagram

These documents contain detailed system and equipment description and related information about the product that TempSys considers to be proprietary, confidential and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, TempSys considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

Robert Yuan
President,
TempSys
