

Confidentiality Request Letter

11/15/99

The required filing documentation pertaining to Motorola CAD Model T6186A contains Motorola confidential proprietary information. As a result Motorola requests that the documents listed below not be made available for public inspection:

1. Electrical Schematics
2. Antenna PCB or any picture which displays the antenna PCB layout.
3. Theory of Operation Document

This information represents Motorola intellectual property and it is subject to competition. This information was disclosed to third parties only under Non-Disclosure Agreement bases, and Motorola reserves the right to discern which parties can obtain access to this information.

The antenna design is also subject to a patent disclosure submitted on January 15th 1999.
