Request for Confidentiality

To Whom It May Concern:

In accordance with 0.459 of CFR 47, Motorola, Inc. hereby requests confidentiality of the Block Diagrams, Circuit Diagrams, Circuit Description, Parts List, Tune-up Procedure, and Operational Description attachments for the subject application.

These documents contain detailed system and equipment description and related information about the product which Motorola, Inc. considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, Motorola, Inc. considers that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

Subject: Request for Confidentiality

Applicant: Wavenet Technology Pty Ltd
Product: Boomer-II OEM Wireless Radio Modem Module
Model: F2333A
FCC ID: PQS-BM28001

Dear Sir/Madam,

Wavenet Technology Pty Ltd, hereby requests confidentiality of the Block Diagram, Schematic Diagrams and Operational Description Exhibit submitted with the application for certification be withheld from public disclosure as per Section 0.459 of FCC Rules. This request is made under the provisions of Section 0.457(d) of the Commission's Rules, and Section 552(b)(4) of the Freedom of Information Act.

These documents contain detailed information about the product, which Wavenet Technology Pty Ltd considers to be proprietary, confidential and a custom design and, otherwise, would not release to any party. Since this design is a basis from which future technological products will evolve, Wavenet Technology Pty Ltd considers this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Yours sincerely

DAVID SHAWCROSS
Technology Manager
