Request for Confidentiality

In accordance with CFR Sections 0.457(d) and 0.459, the exhibits to be held confidential are as follows:

1. Schematics
2. Block diagram
3. Operational Description - Theory of Operation

In justification of the Request for Confidentiality, the following is stated:

Enclosed within this application is technical information that Motorola deems to be trade secrets and proprietary. This information is not publicly available elsewhere. If made public, the information might be used to our disadvantage.

To assist in assuring that Motorola receives the full value of their product and protect its competitive posture, we respectfully request this grant of confidentiality.

Sincerely,

A handwritten signature in black ink, appearing to read 'SMP', with a long horizontal flourish extending to the right.

Steven M. Payne
