Subject: Application for Certification of Transmitter with FCC ID: ABZ99FT3025

Dear Sir or Madam:

Motorola Inc., 1313 East Algonquin Road, Schaumburg, Illinois, herein submits application for Certification of the 48 Watt UHF repeater identified by FCC ID number ABZ99FT3025.

This transmitter is intended for use in a Repeater application with capabilities for conventional and 2 to 1 TDMA digital communications with a rated conducted transmit power of 48 Watts which is adjustable from 25 Watts to 54 Watts (rated +20%).

The subject transmitter complies with CFR Title 47, Section 90.203, in that the operator cannot directly program the transmit frequencies using only the normally accessible external controls of the unit.

Enclosed is a complete Certification Application. Please contact me if you require any additional information.

Sincerely,

A handwritten signature in cursive script that reads "Donna Tokarz".
