Subject: Application for Certification of Transmitter with FCC ID: ABZ99FT3083;
VHF Mobile (136 – 174 MHz), 1 – 30 Watts Variable Power

Dear Sir or Madam:

Motorola Inc., 1313 East Algonquin Road, Schaumburg, Illinois, herein submits application for Certification of equipment identified by FCC ID number ABZ99FT3083.

This transmitter is primarily intended for use in a mobile radio application with capabilities for conventional and 2 to 1 TDMA digital communications with a conducted transmit power which is adjustable from 1 Watt to 25 Watts nominal, 30 Watts Maximum. Please note that this radio will also be sold to NTIA customers.

There are two models using the same transmitter – one with a GPS receiver and one without.

The subject transmitter complies with CFR Title 47, Section 90.203, in that the operator cannot directly program the transmit frequencies using only the normally accessible external controls of the unit.

Enclosed is a complete Certification Application. Please contact me if you require any additional information.

Sincerely,

/s/Donna Tokarz(signed)
