Hello Mr. Chen,

Please see below for our responses to your April 23, 2013 email:

1. According to your 4/3 reply to my 3/28 inquiry the grantee appears to have compared test results against some specific rule sections in Part 22 and Part 80. Please revise the test report to incorporate this information and completely show how compliance with all applicable rule section is achieved for Part 22 Subpart E, Part 74 Subpart D and Part 80. The TCB (and FCC in the case of PBA or audit) would then review accordingly and ask for additional information if necessary.

**Response:**

We have amended our test report in the prior correspondence as requested to further show that we have complied to FCC Rule Parts 22, 74, and 80.

If you require any additional information, please contact me.

Sincerely,  
*/s/ Larry D. Larsen*
