Dear Sir/ Madam:

Icom Inc., would like to submit the model IC-FR3000-2 as a Class 2 permissive change to the model IC-FR3000 (FCC ID No. AFJ236702).

The difference in the IC-FR3000-2(AFJ236702) is that we have changed the RF Power module and 2 resistors of the PA final stage.

Otherwise this updated model is identical in performance to model IC-FR3000.

If you have any questions, please do not hesitate to contact us.

Sincerely

Best regards

Icom Incorporated
