

## Request for Class II Permissive Change

August 12, 2013

Federal Communication Commission  
Equipment Authorization Division  
Application Processing Branch  
7435 Oakland Mills Road  
Columbia, Maryland 21046

FCC ID : AK8BTMODR01  
Applicant : Sony Corporation

To Whom It May Concern:

This is to request a Class II permissive change for FCC ID: AK8BTMODR01, originally granted on June 14, 2013.

We changed the following points from the original model.

- This Bluetooth module will be installed in a new host product (Wireless stereo headset).  
\*The Bluetooth module itself has no change.

Please refer to attached "Block Diagram", "External Photo", "Internal Photo" and "Label Location" for details of these modifications.

This time, we performed the testing and confirmed that this product still meets the minimum requirements of the applicable rules of FCC. Please refer to the test report submitted with this application.

Thank you for your attention to this matter.

Sincerely,
