Federal Communication Commission
Equipment Authorization Division, Application Processing Branch
7435 Oakland Mills Road
Columbia, MD 21048

2007-05-24

TO WHOM IT MAY CONCERN

Hereby we request to supersede following data from application
FCC ID: AK8PCG4L1L:

Exhibit Type:	Description:
Cover Letter(s),	Safety and Legal Statements
RF Exposure Info	Test Report Appendix B Photos

Reason:

File "Safety and Legal Statements" contain information for End user and must be published as "User Manual". Another file contains test setup configuration and must be published as "Test Setup Photos".

Both files have been uploaded again by using correct Exhibit Type.

Sincerely,

GERALD SCHMIDT
