Subject : FCC ID: AK8PCG571Z

Dear Mr. Dennis Ward,

Regarding to your comments for FCC ID: AK8PCG571Z on May 20 2003, please find the following replies;

1. Please find the revised Form 731.
2. Please find the declaration letter that the applicant uses one of the certified antennas of FCC ID CWTUGPZ3.
3. Please find the photos of antenna positions of W-LAN and Bluetooth. The distance between W-LAN antenna and Bluetooth antenna is not separated greater than 20cm.
4. Please find OEM Instruction guide.
5. Please find the revised page 16 of our test report.
6. The Bluetooth module has been already certified. The FCC ID is CWTUGPZ3. The laptop with W-LAN transmitter has been also certified. The FCC ID is AK8PCG57AL. In this time, the Bluetooth module (FCC ID: CWTUGPZ3) is installed into the laptop with W-LAN (FCC ID: AK8PCG571Z). As the applicant still would like to sell the laptop (FCC ID: AK8PCG57AL) continuously, they apply for the certification of the laptop with W-LAN and Bluetooth as a new FCC ID. Anyway, I have uploaded test reports of FCC ID: CWTUGPZ3 and FCC ID: AK8PCG571Z again.

Sincerely yours,

Kanako Sanda (Ms.)
