

- Install and connect this product by following descriptions in its Operating Instructions and Quick Install Guide before using it.
- This equipment generates and radiates radio-frequency energy. SAR (Specific Absorption Rate) for this device was measured in accordance with FCC OET Bulletin 65, Supplement C and guidelines established in IEEE C95.1-1991. The user is advised to maintain a distance of at least 3 mm from the antenna of this device while it is in use.
Users are not permitted to make changes or modify the system in any way.

About the supplied software

THE SUPPLIED SOFTWARE IS SUPPLIED PURSUANT TO THE APPLICABLE END-USER LICENSE AGREEMENT.

- Copyright laws prohibit reproducing the software or the software manual in whole or in part, or renting the software without the permission of the copyright holder.
- In no event will SONY be liable for any financial damage or loss of profits, including claims made by third parties, arising out of the use of the software supplied with this product.
- In the event a problem occurs with this software as a result of defective manufacturing, SONY will replace it at SONY's option or issue a refund; however, SONY bears no other responsibility.
- The software provided with this product cannot be used with equipment other than that which is designated for use with.
- Please note that, due to continued efforts to improve quality, the software specifications may be changed without notice.
