RE: FCC ID: AK8PEGAMSB1
Attention: Toyokazo Imamura / Kanako Sanda

I have a few comments on this Application.

- 1 The sample label must be readable. Please note that the sample label provided is not readable. Please provide a sample label that clearly and unambiguously identifies the ID number of the device.
- 2 Please note that CFR 47 Part 2.1093 makes no such statement as you claim in the RF exposure document. Please provide an rf exposure statement that refers to the correct sections and the correct values.
