Subject : Request for Class II permissive Change  
FCC ID : AK8PSP3001C  
Original grant date : June 16, 2009  
Applicant : Sony Corporation

To Whom It May Concern:

This is to request a Class II permissive change for FCC ID: AK8PSP3001C, originally granted on June 16, 2009.

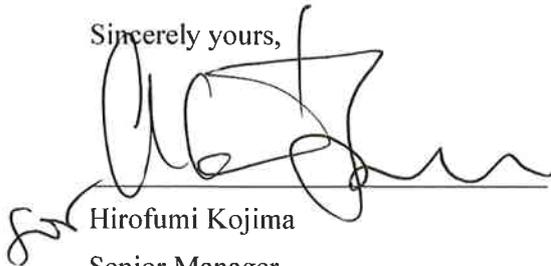

1. We do modification that is written on the attached sheet "Difference Original model and Different model." These change do not affect the RF characteristics, and we can tell this is Class II modification by the data of the measurement.

Please refer attached "Theory of Operation" for details of these modifications.

This time, we performed the testing and confirmed that this device still meets the minimum requirements of the applicable rules of FCC. Please refer to the test report submitted with this application.

Thank you for your attention to this matter.

Sincerely yours,

Hirofumi Kojima  
Senior Manager
