Request for Class II Permissive Change

RE: FCC Permissive II Change Request for Company Harman International Industries, Inc. FCC ID: APIHOTEL

To: Federal Communication Commission

Please be notified that we, the undersigned, Harman International Industries, Inc. product description: Wireless speaker dock for iPad, iPhone and iPod (FCCID: APIHOTEL, Original Grant Date: 08/01/2013) declare that the transmitter module itself has not changed. Here is the reason for this Class II permissive change:

1: Change the Docking Connector to adapt market requirement.

Please refer to below form for detailed information:

And also be notified that the product of the approved is identical with the original one, except the part of Docking Connector.

Item	Different
Docking Connector of original equipment	The docking connector is suitable for Iphone3 and Iphone4
Docking Connector of Class II permissive change	The docking connector is just only suitable for Iphone5

Please refer to below pictures of Docking Connector for detailed information:

Docking Connector of original equipment

Model: JBL ONBEAT HOTEL

Docking Connector of Class II permissive change

Model: JBL ONBEAT HOTEL LT

Sincerely,

Fernando Reyes / Director, Global Quality
