**FCC ID:** APIJBLCHARGE4Q

Gentlemen,

This purpose of this filing is to request an Class II Permissive Change for FCC ID: APIJBLCHARGE4Q originally Certified on [Date: 03/06/2020]

The change under this application is for the following reasons:

The change under this application as following:  
RF module, Antenna, Enclosure, Internal structure are the same as original EUT. There are no RF parameter changes to the operating frequency band, radiated and conducted output power of the device, only added new batteries, please reference the new battery << CHARGE4Q change instruction Rev.02.pdf>>. I attest that the certified device will not be capable of ad-hoc mode operation outside of the grant conditions.
