

We don't prepare the User Manual for the module because it is not sold to the end user directly.
Please refer to the Specification Sheet for more details about the module.
For the module installation to the host equipment, please follow the interface specification (installation procedure).

FCC/IC Notice for model: CH9-1372
Model: DSXXXXXX is the host device of CH9-1372.

The following information must be indicated on the host device.

“Contains FCC ID: AZD226” and “Contains IC: 498J-226”

This device complies with Part 15 of FCC Rules and Industry Canada licence-exempt RSS standard(s).
Operation is subject to the following two conditions:
(1) this device may not cause interference, and
(2) this device must accept any interference, including interference that may cause undesired operation of this device.

*It is possible to put this notice on user manual if the host device is small to show this notice on.

Following statement must be included in the user manual of host device.

FCC/IC NOTICE

Model: DSXXXXXX (including NFC Module Model CH9-1372, FCC ID: AZD226/IC:498J-226)

Do not make any changes or modifications to the equipment unless otherwise specified in the manual. If such changes or modifications should be made, you could be required to stop operation of the equipment.
