Letter of Class II Permissive Change

Date: Mar. 27, 2009

Subject: Class II Permissive Change for Wireless DVD Receive,
FCC ID: BEJ9QK-HW904PA
Original Granted: 12/24/2008

Dear Sir,

This letter services as our explanation that the subject certified product changed is to add a new model number "XV-THG51" for JVC brand and the operating panel is differently. The purpose of the change is to add model and brand under the original model of HW904PA. All the product's RF module, circuit, specification and functions are same as before. Please refer to photographs.

LG Electronics Inc. asked the AUDIX Technology Corporation. to make a compliance testing according to FCC Part 15B & 15C and get a compliance report to prove that those kinds of modifications on this base unit don't influence the noise emission level. LG Electronics, Inc. asks you to accept this as a Permissive Change.

If you have any questions or require any other information, please do not hesitate to contact our agent.

Sincerely,

A handwritten signature in black ink that reads "Daniel Kim".

Mr. Daniel Kim
General Manager
