FCC ID: BVCAMB9012  
Applicant FRN: 0005052626

Per section [§2.911\(d\)\(7\)](#) of the FCC rules, Sensormatic USA LLC ("the applicant") certifies that the equipment for which authorization is sought is designated to the **following U.S. Designated agent\* for service of process:**

|                                |   |
|--------------------------------|---|
| Company Name:                  | Sensormatic USA LLC                         |
| Physical U.S. Company Address: | 6600 Congress Ave., Boca Raton FL 33487 USA |
| Agent Name:                    | Mark Alexis                                 |
| Agent Email Address:           | mark.alexis@jci.com                         |
| Agent FRN**:                   | 0005052626                                  |

The above contact person accepts the obligation for service of process.

The applicant accepts its obligation to maintain an agent for service of process in the United States for no less than one year after either the grantee has permanently terminated all marketing and importation of the applicable equipment within the U.S., or the conclusion of any Commission-related administrative or judicial proceeding involving the equipment, whichever is later.

\* the applicant must designate a contact located in the United States for purposes of acting as the applicant's agent for service of process, regardless of whether the applicant is a domestic or foreign entity. An applicant located in the United States may designate itself as the agent for service of process.

\*\* the agent does not have an FRN because they do no other business with the FCC except for acting as a US agent for service of process, and therefore are not required to have their own FRN.
