Subject: SANGEAN ELECTRONICS INC., FCC ID: BYG009, Assessment NO.:  
AN06T5904, Notice#1

Question #1: The user manual does not contain user information as specified in FCC15.21. Please update the user manual.

Question #2: Please check test report page 11, the fundamental field strength at 88.1MHz is even lower than spurious emission, which does not meet 15.215(b) requirement. Please explain.

Question #3: The FCC ID shown on proposed FCC ID label format is "BYGOO9", not "BYG009". Please confirm which one is correct .

Best Regards,

Helen Zhao
