To Whom It May Concern,

Subject: Declaration of Disabling EDGE and 802.11n40 (WiFi) function

Dear Sir/Madam,

Attestation letter

We, Dynamics Hong Kong Limited, hereby declare that our product: Mobile Phone, FCC ID: C89PRIME4PLUS has the MT6166 supporting EDGE function, MT6627 supporting 802.11n40 for WiFi, but for the marketing purpose, our manufacturer has closed the EDGE uplink function (it just supports the downlink function) and 802.11n40 for WiFi by software when they're producing.

Sincerely,

Signature

Rajendra Kumar Thapa
Director
