

EXHIBIT 1  
Functional Description.

**CFS8DL5800RL-2**

The **5800RL-2** remote relay is part of Honeywell's wireless 5800 alarm system.

It is used in conjunction with the alarm system and provides remote activation of an alarm indicator ( bell, siren, etc.) or other devices.

These messages are transmitted at 345Mhz +/-82kHz using on-off keyed AM modulation.

The **5800RL-2** sends a regular supervision message, once every 72 minutes. It sends no other messages except responses to control messages initiated by the alarm system, and tamper messages.
