## KIANO4

### Installation

1. Tilt your iPhone at a 45° angle while aligning the left side of the iPhone 4 with the case.

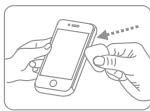

2. Lower your iPhone 4 by pulling up the pick on the right side of the case, and press iPhone to click into the case.

3. Check the entire device by clicking into place again.

### Removal

1. Push the case pick into the gap between the cover and your iPhone.

2. Lift up the case pick and pull your iPhone 4 by the pick.

3. Use your left hand to gently pull out the iPhone 4 by lifting the right side of it.
