

# Declaration of similarity

FCC ID: DMOSCDB3

IC: 2099A-SCDB3

To whom it may concern,

We, Sennheiser Electronic Corp (NY), hereby declare that model: SCDB4 is schematically identical with the same electromagnetic emissions and electromagnetic compatibility characteristic as model: SCDB3, which is tested by NEMKO Canada Inc., the results of which are featured in NEMKO project 305389. All models use identical RF module and SW.

A description of the differences between the tested model and those that are declared similar are as follows:

- In SCDB4 components related to the host phone interface are not mounted on the IFB.

Please contact me if you have any question.

Sincerely,

Applicant : **Sennheiser Electronic Corp (NY)**
