Attn: OET Dept.

Ref: FCC Class II Permissive change for FCC ID: DO4WRTZ1500  
(Original Grant date: 07/26/2012)  
Applicant: Checkpoint Systems Inc.

Dear Examiner,

This is to request a Class II permissive change for FCC ID: DO4WRTZ1500, originally granted on 07/26/2012.

The reason for this Class II permissive change is to add three power supplies for UHF RFID Reader WRTZ-1500:

- EDAC        EA11001A-120
- XP Power    AHM85PS12
- EOS         LFZVC60NP12E4

The power supplies has been tested with UHF Reader WRTZ-1500, which is built in the Emotionline E10 antenna. The Emotionline E10 antenna system is an Electronic Article Surveillance Detection System with UHF RFID Reader.

If you have any questions regarding this application, please feel free to contact me.

Sincerely,

Mr. Thomas Ring
