Label

The diagram shows a large, light gray rounded rectangle representing a device. Inside this rectangle, at the bottom center, is the text "Under the D cover". On the left and right sides of the rectangle, there are two identical orange squares, each with a blue border and the word "Label" in the center. An arrow points from the text "Contains FCCID: E2KAX211D2" in the top-left box to the left orange label. Another arrow points from the text "Contains FCCID: E2KT77W968" in the top-right box to the right orange label.
