

APPENDIX B4

Test Sample Internal Photographs

ATHEROS WLAN – AR5BHB92

Host – LifeBook U Series

This image shows the internal components of a Sony Cyber-shot DSC-W830 camera. The main body is black, and the internal components are visible through a transparent window. The components include a green printed circuit board (PCB) with various electronic components, a silver-colored metal plate, a yellow flexible display cable, and a white flexible display cable. A small white label with the text "A830" is visible on the left side. A larger white label at the top contains the following information: "P/N N860-7687-1001 ES", "S/N X3000010", and "MADE IN JAPAN". A small white label at the bottom right contains the text "V833544".
