COMPLIANCE STATEMENT OF NOKIA 6185i, FCC ID: GMLNSD-3AW

The compliance statement can be seen in user guide of NOKIA 6185i because the size of the handportable NOKIA 6185i and its identification label are so small that the compliance statement can not be printed visible enough.

### **Accessories and Batteries**

Use only approved accessories and batteries. Do not connect incompatible products.

### **FCC/Industry Canada Notice**

Your phone may cause TV or radio interference (for example, when using a telephone in close proximity to receiving equipment). The FCC/Industry Canada can require you to stop using your telephone if such interference can not be eliminated. If you require assistance, contact your local service facility.

This device complies with part 15 of the FCC rules. Operation is subject to the condition that this device does not cause harmful interference.

### **Using this Guide**

The wireless phone described in this guide is approved for use in CDMA/AMPS networks.

A number of features included in this guide are called Network Services. They are special services provided by wireless service providers. Before you can take advantage of any of these Network Services, you must subscribe to the service(s) from your home service provider and obtain instructions for their use.

### **Disclaimer**

It's possible that you may not be able to activate your phone on all wireless systems. Please see your service provider for details.
