Subject: Application for Class II Permissive Change of the wireless alarm control panel,

FCC ID:GSAPWRMAXPRO, model PowerMax Pro

Dear Gentlemen,

Please find attached our application for Class II Permissive Change of the wireless alarm control panel, model PowerMax Pro, FCC ID:GSAPWRMAXPRO, prepared in accordance with FCC Rules, parts 15 and 2.

The device includes the Quad-Band GSM module, FCC ID:RI7GE863L instead of CDMA wireless module, FCC ID:O9EQ2438F-M.

There is NO difference between the originally certified Quad-Band GSM module and the one used in the Powermax Pro, except of antenna in the Powermax Pro is different. The GSM module may be equipped with internal or external antenna. The full testing according to FCC Parts 22H, 24E was performed, the Application for Class II Permissive Change was put at ATCB disposal.

The product testing and this application for Class II Permissive Change were performed by Hermon Laboratories, which is listed by FCC, Registration Numbers 90623, 90624, responsible person is Mr. Alex Usoskin, tel: 011 972 4628 8001, fax:011 972 4628 8277, e-mail: mail@hermonlabs.com.

Please send an invoice to Hermon Labs.

We hope this application satisfies your requirements.
