EMC/SAR/Antenna testing

To whom it may concern

This letter is to introduce the Dolphin 7900 Mobile Computer series change of the GSM antenna.

The new antenna is used to increase the performance in the 850MHz range. It is similar to the old antenna with just a better antenna gain.

Sincerely,

A handwritten signature in black ink that reads "Michael Grings". The signature is written in a cursive, flowing style.

Michael Grings
