RE: FCC Certification Applications
FCC ID: HLEPA500
Model: PA500

Dear Sirs,
The following label information is required by the FCC Rules and Regulations for certified devices.
Please find marketing information required by the FCC Rules and Regulations as following:

Label Requirements

An intentional radiator device subject to certification by the FCC shall carry a warning label which includes the following statement:

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

The sample label shown shall be permanently affixed at a conspicuous location on the device and be readily visible to the user at the time of purchase.

FCC ID: **HLEPA500**

Sincerely,

Eddy Hsiung

Dear Sirs,

Please be advised that the following information is to be held confidential on behalf of Unitech Computer Co Ltd.

Permanent Confidentiality

- Block Diagrams
- Schematics
- Technical Specification

The application contains technical information which Wistron Corporation deems to be trade secrets and proprietary. If made public, the information might be used to the disadvantage of the applicant in the market place.

Thank you for your attention to this matter.

Sincerely,

Eddy Hsiung
