

Predator Triton 500

Quick Guide

Register your Predator product

1. Ensure you are connected to the Internet.
2. Open the *Acer Product Registration* app.
3. Install any required updates.
4. Sign up for an Acer ID or sign in if you already have an Acer ID, it will automatically register your product.

After we receive your product registration, you will be sent a confirmation email with important data.

Manage your registered products

Once you have completed the registration process, you can log onto **account.acer.com** using your Acer ID and password to see and manage all your registered products.

Note: *It may take a few days for your information to be updated to the database.*

Obtaining Predator accessories

We are happy to inform you that Acer's warranty extension program and notebook accessories are available online. Come and visit our online shop and find what you need at **store.acer.com**.

The Acer Store is being progressively rolled out, and may not yet be available in some regions. Please check regularly to see when it will be available in your country.

Model number: _____

Serial number: _____

Date of purchase: _____

Place of purchase: _____

ENVIRONMENT

Temperature:

- Operating: 5 °C to 35 °C
- Storage: -20 °C to 60 °C

Humidity (non-condensing):

- Operating: 20% to 80%
- Storage: 20% to 60%

WARNING! To reduce the possibility of heat-related injuries or of overheating the computer, do not place the computer directly on your lap or obstruct the computer air vents. Use the computer only on a hard, flat surface. Do not allow another hard surface, such as an adjoining optional printer, or a soft surface, such as pillows or rugs or clothing, to block airflow. Also, do not allow the AC adapter to come into contact with the skin or a soft surface, such as pillows or rugs or clothing, during operation.

First things first

We would like to thank you for making this Predator notebook your choice for meeting your mobile computing needs.

Your guides

To help you use your Predator notebook, we have designed a set of guides:

First off, the **Setup Guide** helps you get started with setting up your computer.

The **Quick Guide** introduces you to the basic features and functions of your new computer.

For more on how your computer can help you to be more productive, please refer to the **Predator Triton 500 User's Manual**. The **Predator Triton 500 User's Manual** contains useful information applying to your new computer. It covers basic topics such as using the keyboard and audio, etc.

This guide contains detailed information on such subjects as system utilities, data recovery, expansion options and troubleshooting. In addition it contains warranty information and the general regulations and safety notices for your notebook.

The User's Manual can be downloaded from the Acer support website by going to:

<http://go.acer.com/?id=17883>

Software installation

The first time you turn on your computer, it will automatically install software and set up for use. This may take some time, please do not turn off your computer; wait until the installation has finished.

Recovery

You should create recovery backups as soon as you can. The *Acer Recovery Management* program allows you to create recovery backups and then to restore or reinstall applications and drivers provided by Predator.

Having trouble?

Acer provides several options to support your purchase.

Acer support

Make sure you write down your computer serial number, date and place of purchase and model name on the area provided in this guide; save your proof of purchase. Before you call us, please write down any error message that accompanies the problem, and have the computer in front of you and switched on if possible. Having these items to hand when contacting us will ensure better and quicker service.

Acer website

Remember to visit **www.acer.com** and refer to the support section for up-to-date information, help, drivers and downloads.

Warranty and contact information

You can find information about the warranty for your computer and how to contact technical support in your computer's Warranty.

Your Predator notebook tour
