Columbia, MD 21046

Gentlemen,

RFM/Cirronet respectfully requests confidentiality of certain materials provided with the submission of the WIT2492 under FCC ID HSW-2492 in accordance with FCC Regulations 0.459. The confidentiality request applies to the following:

11-0123 – Theory of Operation.pdf

The WIT2492 has been developed at considerable effort and expense by RFM/Cirronet. These items are considered as Trade Secrets and therefore public access to proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read 'Mark Tucker'.
