Equipment Authorization Branch
7435 Oakland Mills Road
Columbia, MD 21046
Date: August 22, 2003

Gentlemen:

Cirronet Inc respectfully requests confidentiality of certain materials provided with the submission of the WIT910M under FCC ID: HSW-910M in accordance with FCC Regulations 0.459. The confidentiality request applies to the schematics, parts list, theory of operation and block diagrams contained in this filing. The WIT910M has been developed at considerable effort and expense by Cirronet Inc.. These items are considered as Trade Secrets and therefore public access to the proprietary material could possible result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,

Al Patrick,
Sr. Compliance Engineer
